COLORED EXODUS TO
THE PACIFIC COAST.

Senator Saunders has received a letter from an ex-Governor of Oregon saying they want 250,000 colored people in Oregon and would offer every inducement for immigrants of that class, as they prefer them to Chinese. Saunders is urged to use his influence to encourage and exodus of Southern negroes to that State. When the colored exodus from the South first started the JOURNAL offered the suggestion to the people of the Pacific Coast States to encourage the immigration to this part of the country, believing that the colored folks would not only benefit themselves, but would be welcomed here, and above all would supplant the Chinese. A thousand times better to help our own citizens than to continue the aid to this miserable foreign class.

Kansas wants Grant and Blaine.

Mr. W. S. Gilbert, the famous dramatic author, and Pinofore man, has written an original comedy expressly for Mr. Sothern, who intends to produce it in New York next September; but at what theatre it will be played is not yet settled.

The confirmation by the Senate of General McCary to be United States Judge of the Eighth circuit, puts that gentleman into a life position, with a salary of \$6,000 a year. The circuit includes Arkansas, Iowa, Kansas and Minnesota.

The first Republican National Convention, which nominated John C. Fremont, was held at Philadelphia. The second convened at Chicago, and nominated Lincoln. The third was held at Baltimore; the fourth at Chicago; the fifth at Philadelphia; the sixth at Cincinnati, where Hayes was nominated.

There are indications that a compromise will be effected among the Democratic Senators in regard to the Bayard resolution by adopting some such amendment as that submitted by Butler of South Carolina, which proposes that the repeal of the legal tender power of greenbacks shall date from January 1, 1885, instead of going into effect immediately.

It seems to be quite certain that the President has made up his mind to nominate John Morton as Collector of Internal Revenue at San Francisco, for one of his private secretaries has solicited a member of the Senate to support the nomination if sent in. This request was accompanied with a very distinct intimation that it may be daily expected. It need hardly be said that this sort of lobbying has intensified the determination of California delegation to spare no effort to defeat the nomination if it be sent in.

The report that has reached the Treasury Department to the effect that there is a good deal of smuggling along the Atlantic and Gulf coast has warranted the Secretary of the Treasury in despatching special agents to investigate the truth of the statement. It is said that the agents will also look after the preferences of Federal officers in Southern States for Presidential nominees, and that the civil service rules will be enforced strictly to prevent any officeholder from taking an active part in the selection of delegates to the National Convention.

ASSESSMENT AND DIVIDEND LIST.—The Bulletin publishes a carefully prepared and classified list of mining assessments which have fallen delinquent during the current year. The list comprises 278 claims in California, Nevada, Idaho, Utah, Arizona and Dakota. In many cases only one call was made during the year, while in others there were two, three, four and five made. The assessment roll for the current year is unprecedentedly large in the number of calls and in the distribution as follows: Nevada, \$11,404,400; California, \$2,692,100; Arizona, \$323,200; Dakota, \$360,000; Idaho, \$20,000; Utah, \$8,000, and Wyoming, \$15,000. Against this may be placed the dividends, as follows: California, \$1,352,450, and Nevada, \$4,417,800, including the lately-declared dividends of the California, Consolidated Virginia and Eureka Consolidated mines.

Jo. King has been held, as already stated, in one thousand dollar bonds to answer before the Grand Jury for the crime of robbing Sam Myers; he may be held in durance vile for a while, yet when his case comes before the jury he can and will prove to them that he was only a Jo-King.

Dr. Hunter, of San Francisco, will be in Reno next Sunday to visit patients and make examinations.

Postmaster Hagar informs us that the total amount of money paid into the office here, on account of money orders, for the week ending December 6th, was \$1,229 36. Some of the other towns have been bragging about the amount of money order business done through their offices, but we think that Battle Mountain, small as it is, sends away more money, according to the population, than any other town in the State. —[Messenger.]

PERSONAL.—H. F. Adams, M. D., formerly of Chicago and recently of Oakland, California, has arrived at Reno and is stopping at the Arcade, McFarland's hotel and lodging house, for one week only. The Doctor gives particular attention to surgical diseases of the eye and ear and chronic diseases. The Doctor has almost a sure cure for Asthma and Catarrh and all diseases of the respiratory organs. Special attention to diseases of females. The afflicted would do well to call and see the Doctor at the Arcade.

A Gentle Stimulus
Is imparted to the kidneys and bladder by Hostetter's Bitters which is most useful in overcoming torpidity of those organs. Besides infusing more activity into them, this excellent tonic endows them with additional vigor and enables them the better to undergo the wear and tear of the discharging function imposed upon them by nature. Moreover, as they are the channel for the escape of certain impurities from the blood, it increases their usefulness by strengthening and healthfully stimulating them. In certain morbid conditions of these important organs, they fall into a sluggish state, which is the usual precursor of disease. What then can be of greater service than a medicine which impels them to greater activity when sluggish? No maladies are more perilous than those which affect the kidneys, and a medicine which averts the peril should be highly esteemed.

All who are fond of examining rich and beautiful Bohemian glass-ware, toilet sets of most exquisite styles and colors, vases, cut glass bottles, celluloid sets, pearl handled hair brushes, perfume cases, French plate mirrors, genuine Labin's extracts, farina colognes, etc., etc., should call and see the display made by Pinniger & Queen. Good judges pronounce it the finest ever seen in Reno. If you wish a present for a gentleman or lady friend, you can get a very elegant one from firm at a very reasonable price. They import direct from one of the largest houses in New York, buying articles of the best quality only, and making it to the interest of the public to deal with them, by selling at the very lowest prices.

CATARRH

Of Ten Years' Duration. The Discharges Thick, Bloody, and of Foul Odor. Senses of Smell and Taste Wholly Gone. Fully Cured by

SANFORD'S RADICAL CURE.

Merica Weeks & Potter: Gentlemen—I feel compelled to acknowledge to you the great benefit Sanford's Radical Cure has been to me. For ten years I have been afflicted with this loathsome disease, and especially in the winter time has it been most severe. The discharge has been thick and bloody, emitting a foul odor so bad that my presence in a room with others was very offensive to them. One week after commencing the use of Sanford's Radical Cure I was not troubled with it again. My appetite increased, my strength wholly gone, has now fully returned, and my general health is much improved. I am, Sir, your obedient servant, J. B. BROWN, B. FORD, Short-Hair Writer.

GRAND RAPIDS, MICH., Nov. 8, 1876.

LATER.

Gentlemen: The package of Sanford's Cure arrived heretofore tonight. I don't know what I should have done if it had not been for this remedy. I have tried Kani-Banicle and everything else, and although I have been able to stop the offensive discharge, I have not been able to cure my disease. I have not been able to get any relief from any other medicine. I have now fully returned, and my general health is much improved. I am, Sir, your obedient servant, J. B. BROWN, B. FORD, Short-Hair Writer.

GRAND RAPIDS, MICH., Nov. 8, 1876.

SANFORD'S RADICAL CURE

Not only promptly arrests the corroding discharges in catarrh, but, by sympathetic action, it restores to sound health all the organs of the head that have become affected by it, and exhibit any of the following affections:

Each package contains Dr. Sanford's Improved Inhalant Tube, with full and carefully prepared directions for use in all cases. Price, \$1. For sale by all wholesale and retail druggists and dealers from the United States and Canada. WEEKS & POTTER, General Agents and Wholesale Druggists, Boston, Mass.

private disease of any kind or character which
he undertakes and fails to cure.

MIDDLE-AGED MEN.
There are many at the age of thirty to sixty
who are troubled with too frequent evacuation
of the bladder, often accompanied by a slight
smarting or burning sensation, and a weakening
of the system in a manner the patient cannot
account for. On examining the urinary deposits
aropy sediment will often be found and some-
times small particles of albumen will appear, or
the color will be of a thin milky hue, again
changing to a dark and torpid appearance.
There are many men who die of this difficulty
ignorant of the cause, which is the second stage
of seminal weakness. Dr. S. will guarantee a
perfect cure in all such cases, and a healthy
restoration to the genuine urinary organs.
